

# Abracadabra Aladdin!

By Holly Sudol

Holy Rosary's 8<sup>th</sup> grade class staged an excellent and entertaining performance of "Abracadabra Aladdin" on November 15<sup>th</sup> and 16<sup>th</sup>. Everyone had a great time as the characters danced, sang, and acted throughout the play.

The story tells of a young man named Aladdin and his pet monkey Alakazam as they meet an evil uncle, a princess and her family, and a number of genies with very special powers. Their adventures are fun and very funny.

The play was staged for the first time in Holy Rosary's new Cafeteria Theater, which turned out to be an outstanding place for the play.

Congratulations to Mrs. Rojas, her alumni stage managers and choreographers, and the entire 8<sup>th</sup> grade class for doing an amazing job with the play. I encourage everyone to go and see the 8<sup>th</sup> grade play every year because they are always a good time for the whole family.
