

# INTRODUCTORY PARENT LETTER

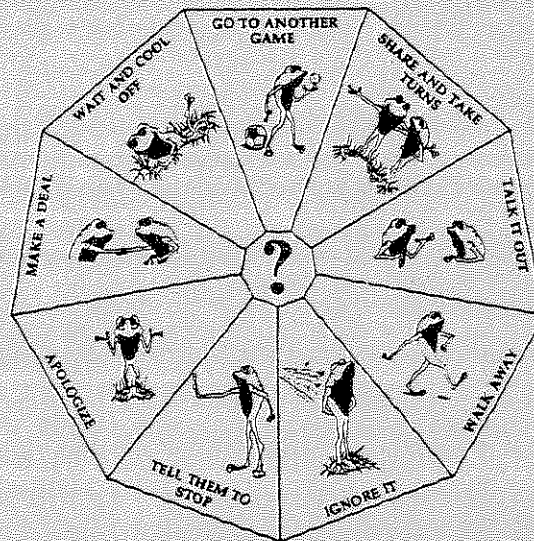

Dear Parents,

In class, we have been learning safety rules! We have learned that if we ever have a "big" problem (one that is scary or frightening), we need to tell an adult like mom or dad immediately because someone can get hurt. We have also learned that if we have a "small" problem, we can use some of Kelso's ideas to solve it. Here are two books that we have made to show how problems can be handled!

Sincerely,

*Mrs. Boyle*

## CONFLICT MANAGEMENT Try 2 of Kelso's Ideas When You Have a Small Problem:

**IF YOU ARE THREATENED  
OR FEEL FRIGHTENED,  
TELL AN ADULT  
IMMEDIATELY.**
