

Holy Rosary School was honored to have Edmonds' Mayor Dave Earling celebrate this year's Speech Tournament by sharing lunch with the winning contestants from grades 3 through 8 and listening to their speeches. He also met with the rest of the tournament finalists and posed for this photo.

Mayor Earling described the event like this: *"Something truly positive to balance my day.....I had lunch today at Holy Rosary School with the winners of the school's Speech Tournament and to hear some of their presentations. The presentations were spectacular! So confident, so articulate, most impressive....and this from elementary school students! They turned around a challenging day. Thanks to Carolyn Douglas, the students and faculty."*

Holy Rosary School is so fortunate to offer this exceptional Speech Tournament Program as part of our school requirements in Kindergarten through 8th Grade. Our students learn how to present poems, prepared readings, oratory, expository and editorial commentary. Congratulations to all our Speech Tournament finalists and contestants on another spectacular event!
