

June 16, 2017

Dear HR Students and Parents,

Hooray! Summer is here – which means more time for reading! Whether you read a paper book at the beach, an e-book in a tree or an audio-book on a road trip, reading adventures await you.

There are some changes to our summer reading lists, so please check your list carefully. The best thing to do this summer is to choose books from our AR Book Finder in Accelerated Home Connect, which can be accessed through the school website – www.hrsedmonds.org then via the quick link (red and blue buttons) in the lower left corner: School Library. It has over 150,000 titles for which quizzes are available. You can also check our school library catalog through that link. If you loved a book, please consider donating it to the HR library so you can share it with others.

There will be three days available in June and August for the students to come to the Computer Lab and take their AR tests. The dates are:

- Thursday, June 29 12NOON to 2PM
- Thursday, July 20 12NOON to 2PM
- Thursday, August 24 12NOON to 2PM

Upon returning in September or during the summer AR days, students are expected to take the AR tests on their required summer reading and any other books they may have read.

Please be aware that for newly published books, AR quizzes may not be immediately available.

Happy reading!

~Mrs. Holt

HR students in grades 3-8 continue reading with the Summer Reading list. The teachers have chosen the listed books from many sources: curriculum goals, award winnings lists, or personal favorites.

All the books are available in the public library. Most are available in paperback, especially inexpensively at used bookstores. AUDIO books may also available for devices via Sno-Isle Libraries www.sno-isle.org
